

PHYSICIANS FOR  
SOCIAL RESPONSIBILITY  
SAN FRANCISCO BAY CHAPTER

## Annual Gala Auction Donation Request

SF Bay Physicians for Social Responsibility is seeking donations for our **Annual Gala on Wednesday, September 21, 2022**. Your auction donation will have a big impact, and your business will receive recognition at our gala and on promotional materials.

Thank you for considering this request.

### MISSION

Guided by the expertise of medicine and public health

SF Bay Physicians for Social Responsibility works to protect human life from the gravest threats to health and survival. Consequently, we promote public policies that protect human health from the threats of nuclear war and other weapons of mass destruction, global environmental degradation, climate change, the epidemic of gun violence, and other social injustices in our society today.

### HISTORY

FOUNDED IN 1979

San Francisco Bay Physicians for Social Responsibility (SF Bay PSR), founded in 1979, is a nonprofit education and advocacy organization that combines the power of community activism with the knowledge and credibility of health professionals to promote public policies that support human and environmental health. Our work is anchored in our central concerns for racial, social, and environmental justice.

Our chapter was originally founded to organize physician and other health professionals to advocate for the end of the nuclear arms race and the abolition of nuclear weapons. In the early 1990s, we broadened our mission to include the existential threats posed by our looming climate crisis and related toxic degradation of our web of life.

SF Bay PSR was the first PSR chapter to be organized in the U.S. and it remains one of the largest of the 24 U.S. PSR chapters. Please visit our website for more information about our programs, events, action alerts, and other opportunities to engage with our work.

**All donations are tax-deductible, and we will send you a letter by February 15, 2023, for your taxes.**
