

PHYSICIANS FOR  
SOCIAL RESPONSIBILITY  
SAN FRANCISCO BAY CHAPTER

## Auction Donation Request

SF Bay Physicians for Social Responsibility is seeking donations of items for our silent auction at our **Annual Gala on Wednesday, September 27, 2023.**

Some of the items that raise the most donations at auction include:

- **Small Items.** Gift certificates, tickets to theaters or sporting events, or smaller items that can be combined into a gift basket such as books, wine, or small hiking/travel gear items.
- **Unique Items.** Jewelry, designer bags, paintings, artwork, smart watches, headphones, hiking/travel gear, electric kitchen appliances.
- **Community Spotlight Items.** Services and items from small businesses in the greater Bay Area such as gift certificates to restaurants, bakeries, spas, cooking lessons taught by a chef at a local restaurant, or memorabilia from a nearby professional sports team.
- **Travel and Experiences.** Entertainment tickets with behind-the-scenes tours and travel packages such as a sailboat ride on the bay, or a week or weekend get-a-way at your vacation home.

Your auction donation will have a big impact, and **your business will receive recognition on promotional materials and at our Gala.**

San Francisco Bay Physicians for Social Responsibility's annual Gala, virtual again this year, will focus on the environment and health equity. Our featured speaker will be Dr. Cheryl Holder, a national health leader advocating for comprehensive medical prevention and care strategies for poor communities impacted by climate change. There will also be Emerging Health Professional Awards and musical performances. The Gala will support our efforts to mobilize more health professionals, engage more policymakers, and bring more urgency to address our climate crisis, the expanding threats of nuclear weapons, and growing racial and economic disparities.

SF Bay Physicians for Social Responsibility works to protect human life from the gravest threats to health and survival. Consequently, we promote public policies that protect human health from the threats of nuclear war and other weapons of mass destruction, global environmental degradation, climate change, the epidemic of gun violence, and other social injustices in our society today.

**SF Bay PSR is a not-for-profit 501(c)3 charitable organization. Your donation of goods or services is tax-deductible to the full extent of the law. SF Bay PSR will issue receipts for any donations.**
