2026 Virtual GALA Sponsorship Invitation

GALA: Gathering for Action, Leadership, and Advocacy

Democracy in Crisis and the Courage to Act

Wednesday, September 30, 2026

6:30–8:00 PM PT | Virtual Event

Featuring Keynote Speaker: [Skye Perryman](#)

President & CEO, Democracy Forward

Democracy Forward is a national legal organization that provides free legal representation and strategic counsel to people, communities, and organizations working to protect democracy. Since its founding, the organization has filed more than 710 legal actions, launched over 400 investigations, and partnered with more than 600 clients and organizations nationwide—earning recognition by *The Atlantic* as "the single largest source of Trump's legal troubles."

Under Skye Perryman's leadership, Democracy Forward has become a leading force in defending constitutional rights, preserving scientific integrity, protecting environmental safeguards, and ensuring that government remains accountable to the people it serves.

About the Event

The health of our communities depends on more than medicine—it depends on strong democratic institutions, evidence-based policymaking, and a government that protects the public good.

At a time when those foundations are under increasing attack, SF Bay Physicians for Social Responsibility is bringing together health professionals, scientists, advocates, philanthropists, and community leaders for an evening focused on courage, collaboration, and action. Together, we will explore how legal advocacy, public health leadership, and community organizing can help safeguard democracy while advancing healthier, more equitable communities and a livable future.

Why Partner with SF Bay PSR

By sponsoring the 2026 SF Bay PSR GALA, you or your organization will demonstrate a commitment to protecting democracy, advancing science, and improving public health. It allows us to educate, organize, and mobilize health professionals and advocates to

protect public health, defend science, advance climate and environmental justice, and advocate for policies that create healthier communities.

Sponsors will:

- Showcase leadership in advancing health, equity, and democratic values.
- Align with a trusted network of more than 3,500 health professionals, scientists, and advocates.
- Support evidence-based policy and efforts focused on countering our major existential threats posed by global warming and nuclear weapons, framed within our solid commitment to social and environmental justice.
- Connect with an influential, values-driven audience of healthcare leaders, philanthropists, policymakers, and community advocates from across the Bay Area.

Sponsorship Levels & Benefits

Democracy Defender — \$10,000

- A personalized and signed copy of Skye Perryman's soon-to-be-released new book, *Ordinary People, Extraordinary Times*.
- Prominent recognition across all Gala promotional materials and event webpage

Additional Opportunity: Outreach Sponsor

Organizations may also participate as **Outreach Sponsors** by sharing the event with your networks. This is a meaningful way to support the event, expand reach, and engage your community in this important conversation. Outreach Sponsors will receive recognition on the event slideshow, promotional materials, and event webpage.

About SF Bay PSR

Since 1979, SF Bay Physicians for Social Responsibility has combined the credibility of health professionals with the power of advocacy to advance:

- Environmental and public health
- Sustainable and equitable solutions to our climate crisis
- Nuclear weapons abolition
- Social and racial justice
- Public education and leadership development

We believe prevention—through policy and systems change—is the most powerful form of medicine.
